Need some gift ideas that will make a difference in someone's life?

Looking for a gift that will keep on giving after Christmas day? How about a gift to someone who desperately needs the gift, given in your loved one's name. This will bless the giver, the receiver and your loved one. But the best part of this plan is that by giving it to "the least of these", you have given the Christmas present to Jesus the Christ! These gifts would go to the poorest of the people of Akot, South Sudan.

"The King will reply, 'I tell you the truth, whatever you did for one of the least of these of these brothers of mine, you did for me.'" Matthew 25:40

Bicycle \$175

A bicycle will provide much needed transportation for a teacher, who walks for an hour or more to work daily. This particular bike was a gift which allows Elizabeth, one of our Bible ladies, the ability to teach a Bible story each morning in devotions at Living Water Primary School,

Sewing Machine \$200

We are training 2 nationals to be sewing teachers. They are teaching a 6 month curriculum to 5 ladies at a time. Upon completion of the course, each receives her own sewing machine. A sewing machine allows a woman to earn money to support her family.

Goat \$85

A goat is truly a gift that keeps on giving. A goat is like having money in the bank for a Sudanese family. This beautiful goat was a gift for a blind man and his wife, who are truly destitute. They are aging and have no children. The goat will help them be less vulnerable and dependent on others.

Support a Student \$40/month

\$40 will provide food, immunizations, and a uniform for a child. Without a uniform most will be unable to attend school because they have no clothes. Many of our children are orphans and the food they receive at school is the only meal they will receive. Each morning children pray for their daily needs.

All contributions designated for specific funds will be applied to those projects and to administering the gifts. If we receive more contributions for a given program than we can use, we apply those funds to meet similar pressing needs. You may state "however it may best be used". 100% of your gift will go to programs that directly benefit the people of Akot, South Sudan.

Until now LWCT has operated without a vehicle or any permanent buildings. The time has come that we must raise funds for these capital expenses. We would love to finish the first school building before the rainy season begins. Please prayerfully consider helping us with the financing of a vehicle

and classrooms.
